WORK HISTORY

Frontend Developer

2024- 2025

Ablnbev, Lagos

Collaborated as part of a vibrant development team to design and implement a responsive website for employee use. Took ownership of various frontend development tasks, utilizing React along with other modern tools and frameworks to create intuitive and efficient user interfaces. Contributed to optimizing functionality, improving user

experience, and meeting project deadlines, thereby supporting the company's internal operations and fostering employee engagement.
